

## Whole School Priorities 2021/2022

- Develop improved strategies for SLC that enables pupils to be best prepared for future learning
- Develop improved strategies for reading across the school that enables pupils to make better progress in their learning
- Increase the percentage of pupils achieving the expected standards in reading and maths at KS2, especially those from targeted groups
- Increase the percentage of pupils making accelerated progress in all curriculum areas by the end of Year 8
- Ensure greater curriculum continuity between subjects
- Improve the outcomes for all pupils in MFL
