

29 June 2021

Dear Parents/Carers

We are planning to hold our sports days over two days this year as we have done in the past. The details for the days are as follows:

Thursday 8 July

Field events, middle distance races and sprint heats will be held on this day for all Year groups. All pupils will know in advance when they are competing. Events will be held in Year bubbles to maintain pupil safety. Equipment will be sanitised and cleaned in between use by each Year group bubble.

Friday 9 July

The track finals will take place in the afternoon, starting from 1.15pm, with all pupils watching and supporting their Year group in bubbles and maintaining social distancing.

Team captains will work hard to try and ensure anyone who wants to take part in sports day can do so. To achieve this, there will be a limit on the number of events pupils can enter.

If your child is participating in the track events, we politely ask that they wear a t-shirt in their house colours, if possible, to help identify them in their races. Whether competing or not, please provide your child with a filled water bottle, sun protection and sun hat.

We are keeping adult visitors to school to those that are essential, as we cannot safely manage large amounts of visitors to the school site at the current time. Unfortunately, therefore, parents/carers will not be invited this year. We will be posting the results and photos of the day on the school website.

Yours sincerely

Vicky Evans
