

## Young Citizen Award

The Rotary Club of Mendip held a youth project, a Young Citizen Award for anyone aged under 21 living in the Cheddar Valley who has been an inspiration to others in the community last year, or who has provided help and support for charitable causes.

We are proud to let you know that the winners this year are two Year 5 pupils; Louisa and Bea. Both pupils received £50 and also £100 for their chosen charity, Somerset Wildlife Trust. The girls are pictured below receiving their certificates from Miss Nixon in the Year 5 assembly held during the last week of term.

Well done girls!
