Monkey World

Last Friday, pupils in Year 5 and Year 6 had a visitor from Monkey World. Unfortunately, it wasn't one of the primates, but Ali from the education team. Ali told us all about the park. She shared the stories about some of the primates and how they ended up at Monkey World. This wasn't always an easy listen but we found comfort in the fact they are now being well looked after. We also enjoyed hearing stories and watching videos of the mischief they get up to.

We look forward to seeing Ali and Monkey World at the end of the Osmington Bay experiences.

Netball Report

Written by Megan.

On Thursday 7th April, 8 girls from Year 7 got to play a netball match against Worle. We all tried our best and had a great time even though we lost 1:21. Lois and Becky tried especially hard as they both had to play on the opposition's team as the opposition only had 6 players. We can't wait to do it again and would highly recommend it!

Covid-19 Guidelines

From Friday 1st April, the guidance for managing Covid-19 in education settings changed.

- Children and young people aged 18 and under who test positive for Covid-19 should try and stay at home and avoid contact with other people for 3 days.
- Adults who test positive for Covid-19 should try and stay at home and avoid contact with other people for 5 days.
- Children and young people who are unwell and have a high temperature should stay at home and avoid any contact with other people. Then can return to school when they no longer have a high temperature, and they are well enough to attend.

Please note we are unable to issue any LFT kits to pupils. These are available to buy from most pharmacies.
