### Building works at the front of school

From next Wednesday, 6 July, building work will be starting at the front of school, creating improved access.

This means pupils will not be able to walk across the front of school when they arrive and leave at the beginning and end of the school day. They will need to come in via the Masons Way entrance or via the Year 6 gate, next to the music room.

A polite notice: - Please can parents not drive through the school site between 8am-5pm. Please park off-site should you need to access reception.

### Year 5 Cheddar Walk

On Tuesday, Year 5 went on a wonderful walk across the top of the Gorge as part of their geography topic. Throughout this term, they have been learning map skills and all about limestone formations. This walk was perfect to add to their learning and it is so wonderful to have this location right on our doorstep. The pupils all had a great time and many of them were amazed by the wonderful views at the top. There were even gasps at the Pinnacles. This walk really highlighted how lucky we are and how much we take our environment for granted. The pupils were a testament to our school. I think that there were a few tired legs by the time they got home.

## Eco Club

On Thursday, the Eco Club welcomed 20 Year 4 pupils from Cheddar First School to participate in food and science environmental activities. They planned and led the activities. They really enjoyed spending time with the younger pupils, educating them about environmental issues. The Eco Club also spent the morning completing some ecology activities around the school site to learn more about our local environment.

## Yeovil Arena athletics results

After a successful athletics meet at Yeovil on 21st June. The notable final results have been collated and we have received the following results.

Reuben: howler 6<sup>th</sup>, long jump 2<sup>nd</sup> and joint 1<sup>st</sup> in the 80m

Samuel: 600m 6<sup>th</sup> and joint 5<sup>th</sup> in the 80m

Verity: 1<sup>st</sup> in howler

Abi: joint 5<sup>th</sup> in 80m

Maisie: 6<sup>th</sup> in 600m

Well done to all that took part.

## Year 8 art project

Year 8 have been working on making gargoyles and Green Men as part of our sculpture work.

They have been using newspaper, foil, and papier mache to create 3D facial features. Then, using the painting skills of scumbling, stippling and dry brushing, they have created textured stone or foliage.

Miss Richardson is really impressed with the results and the pupils have really enjoyed making them this term.
