Sports Round Up

Written by pupils Rosie and Katherine

On Wednesday 4 October, we played hockey at The Blue School. It was a successful game with great team play. Katherine scored our first goal early in the game and she went on to score another two. There was some excellent passing and defending from Millie, who helped to set up many of the goals. She also went on to score the fourth goal for Fairlands. The Blue School scored their first goal at the end of the first half.

In the second half, there was a change of positions. Ellen continued a strong forward position tactically, with some amazing passing and attacking. Mimi smashed a pass all the way up to Rosie giving a goal opportunity. Amelia and Bethany had a strong defence throughout the first half. They switched to wing in midfield during the second half, showcasing their great techniques and skills. Overall, it was an exciting match and we played brilliantly as a team. We finished with a strong winning score of 10-1.
